Update Report to Stowlangtoft Parish Council May
2023

The two-year consultancy agreement with the Diocese of St Edmundbury and Ipswich concluded on 31st March 2023.

A final meeting of this period was held in the church on 6th March. Attendees were the DAC Secretary Edmund Harris, Simon Wiles, Jane Hatton and Jake Millar from the Churches Conservation Trust, Anne Harrison from the Benefice, and seven local people - Ros Keeper, Angela Alais, Christopher Spicer, Rob Cuff, Stuart White, Michelle Marsh and Anna Suggett.

The main proposal from the meeting was that the local community members should bring together a group with a view to developing the church into the community hub. General feeling was that funds should be raised for the village activities rather than specifically the church building. All agreed that funds would need to be raised to support the running costs of the church.

DAC advised that the group should make a proposal to the incumbent and diocese with plans to make the church a flexible space. Alterations and changes may require a faculty to do this. This may include moving some pews and this would require further justification.

CCT have done some pre-work with Anglian Water to connect water for a compostable toilet and a water supply. All agreed this was achievable.

Rob Cuff agreed to produce a newsletter for residents to determine who else might be interested, and whether the group should be called 'Friends of Stowlangtoft' with the possibility of being a sub-group of the Parish Council, or the 'Friends of St. George's' as a sub-committee of the Parochial Church Council. Following this feedback would determine how future meetings would be arranged.

CCT — Next Steps

It was verbally agreed that there would continue to be support from the CCT on a reduced scale, whereby Jane Hatton would act as a facilitator for the group, assisting them by email and phone, in making plans and directing the way forward for activities and events. It would be the responsibility of the new committee to deliver the activities. Jane's support would last for a further six months until the end of September.

It is worth noting that this report is being written towards the middle of May, and no action has yet taken place. The CCT has not been asked to support the survey (see above).

Events

There have been several events in the church over the past 6-9 months - Charlie Haylock (Suffolk Dialect), Ted and Cecil (Suffolk comedy) and Roy Tricker have all made appearances recently. In addition, a Theatre group performed at Pakenham church, with income for the benefit of St. George's in Stowlangtoft. These have been arranged by Jane at the CCT.
